### Information Disclosure Statement

Commission for Patents  
Alexandria, VA, 22313-1450

Dear Sir/Madam:

In order to comply with 37 CFR 1.56, 1.97 and 1.98, please find attached hereto a completed copy of Form PTO-1449. The documents listed contain information which the examiner should consider during examination of the above indicated application. As the application and IDS are being filed after June 30, 2003, paper copies of any US patents listed upon the PTO-1449 are not included, in accordance with the Official Gazette notice of August 5, 2003.

In accordance with MPEP sections 609 and 707.05(b), it is requested that the documents cited be given thorough consideration and that it be added to the record in the prosecution history of the present application by initialing the Form PTO-1449, in the column provided next to each cited document. Such initialing is requested even if the Examiner does not consider the cited documents to be sufficiently pertinent for use as a basis for a rejection, or as prior art for any reason, or even if the Examiner does not believe that the guidelines for citation have been fully complied with. This is required so that each document becomes listed on the face of the patent issuing on the present application.

The present Information Disclosure Statement is being submitted in compliance with 37 CFR 1.56, but the citation of the listed documents should not be construed as an admission or suggestion that the documents are necessarily relevant or are prior art. No representation is intended that the cited documents are the result of a complete search. As such, it is anticipated that the Examiner will, in the normal course of examination, make an independent and complete search, and will determine the best prior art consistent with 37 CFR 1.104(a). It is further anticipated that in the course of each search, the Examiner will review for relevance every document cited on the attached form, even if not initialed.

Early and favorable consideration is earnestly solicited.

Very respectfully,

F. Scott Tierno  
Agent for Applicant(s)
